

All Interested are invited to join our group and to **organize a demonstration against Fortress Europe** and its violent asylum politics.

We are more than angry and we want to show it: goods and money is allowed to cross borders, but people are not. Lot's of refugees are stucked at the borders of Europe. They live in bad conditions but we do not. We live a comfortable daily life. But this is only possible because of the exploitation and destruction of the countries people flee from.

We want to protest by disturbing for a moment this comfortable daily life routine here.

EVERYBODY IS WELCOME!

The demonstration will take place **10th December 2016** 10 a.m. at Lüchow central place.

Meeting point and transport for people from Salzwedel: 9 a.m. at eXchange.
